## CLASSIFIED COMPENSATION SCHEDULE REVISIONS

The compensation schedules for classified employees have been revised from 15 half steps to 8 steps effective January 1, 2000. This change was recommended by the Governor to streamline the compensation schedules and eliminate confusion created by the half-steps.

Employees at even numbered steps on the old compensation schedule will receive a half-step increase in pay. The majority of employees will be unaffected. **The old half-steps and their corresponding steps on the new schedule are noted below:**

15 14	8
13 12	7
